Under the radar

Amid the major beauty trends this season there was an undercurrent of micro-trends that was just as powerful. Stay ahead of the curve and apply now.

THE TREND	HOW TO	THE MUSE	THE TOOLS
 Backstage at Marchesa. PINK POWER	Rose-coloured washes are popping up on eyelids and cheekbones and will be everywhere soon. Take a cue from Marchesa and sweep a shade akin to your lip colour across your lids and on the apples of your cheeks.		GIVENCHY LE ROUGE PERFECTO LIP BALM IN PERFECT PINK, $59, AND LE PRISME BLUSH IN 02 LOVE, $47.
 At MSGM. LOAD YOUR LASHES	Eyeliner may be having a moment, but the tide is turning, with a smattering of layered lashes appearing at the autumn/winter '17/'18 shows. Opt for ultra-spidery, mascara-heavy eyelashes or single false lashes to boost the lower lash lines.	Jane Birkin	MECCA COSMETICA SINGLE FLAIR FALSE LASHES, $24; ESTÉE LAUDER SUMPTUOUS KNOCKOUT DEFINING LIFT AND FAN MASCARA, $50.
 At Versace. STRAIGHT & SLEEK	Mane taming is set to sweep the runways, with straight, sleek locks leading the way. Versace may have seen fit to add bold hues for its autumn/winter '17/'18 show, but we're forecasting uniform length, colour and texture to come.	Cher	REDKEN NO BLOW DRY JUST RIGHT CREAM, $35; SILVER BULLET KERATIN 230 TITANIUM HAIR STRAIGHTENER, $219.
 At Moschino. UNCOMPLICATED CONTOURING	Think pared-down and straightforward. Using a lip pencil, follow the natural contours and outer edges to feign larger lips, or simply opt for a face gloss for a highlight without the glitter.	 Sarah Michelle Gellar as Kathryn Merteuil in *Cruel Intentions*	BURBERRY LIP COLOUR CONTOUR IN DARK NO. 4, $50; MAKE FACE GLOSS, $33.

Embrace excitement

No other fashion house is as synonymous with statement lingerie as Calvin Klein, and its new Excite chemise, $200, ups the brand's must-have ante. The interplay of black lace and 100 per cent silk charmeuse and mesh with a plunging neckline make for a stunning piece that nails the Calvin Klein sexy simplicity lingerie coda. From Calvin Klein stores and David Jones.

FINEST HOUR

Faithful to the Georg Jensen principles of beauty in form and function, the Vivianna bangle watch, $20,160, powered by a Swiss quartz movement, highlights the beautiful simplicity of rose gold. This classic design by Vivianna Torun Bülow-Hübe is made new in captivating 18-karat rose gold for the first time, while retaining the watch's original allure. Go to www.georgjensen.com.

BRUSH WITH A BULLET

The Silver Bullet Genesis 38mm Hot Air Brush simplifies the process of drying your hair by allowing you to dry and style it simultaneously. Three speed/heat settings and the tourmaline-ceramic brush barrel create volume or perfect curls while drying. The beginning of stress-free salon-level styling is here. For stockists, visit www.i-glamour.com.
