VICTORIA JUSTICE

day 10

REACH YOUR HAIR GOALS

If you're getting your hair done professionally, book a trial for today and create a mood board for your hairdresser. Attempting your own 'do? Sleek, straight locks just like Victoria's require paddle-brush styling for blow-drying. To tame frizz, use a boar bristle brush, and for big Hollywood curls, invest in a ceramic barrel brush. Once the groundwork's done, spritz a strong-hold hairspray over your hair, and reach for your straightening iron and pins. The next hour is all about finding your perfect part, curl size or chignon!

STRAIGHT STRANDS: Try the **Tangle Teezer Blow-Styling Paddle Brush Half Size**, $39.95. The base teeth are melt-resistant.

SMOOTH IT OUT: The new wishbone hinge on our go-to straightener means less hair snags and better control. **GHD Platinum Hair Straightener**, $315.

CURL CHASERS: Twirl a barrel brush like **Tigi Pro Extra Large Round Brush**, $25.95, with your wrist as you dry, then wrap hair sections around velcro rollers to set.

day 9

LASH OUT

After Kendall-style lashes but don't want to risk clumpy mascara on prom night? Test drive falsies. Get strip lashes in a shape you love and cut them in half. Put lash glue on to the back of your hand, let it sit for 20 seconds, then apply it to the base of your falsies. Press them into your lash line on the outer corners, then add a coat of mascara to blend.

TRY: **Ardell Natural Lashes in 120 Demi Black**, $9.99.

KENDALL JENNER

Apply eye make-up before anything else – it'll prevent you from going OTT on your base.

day 8

PICK A PERFUME

This scent is going to remind you of your formal forever, so choose wisely! Collect your fave perfume paper strips in-store, and smell them individually once you're away from the scent-layered shopping centre air. Or, take our word for it and try one of these newbies we've declared the most formal worthy on counter. ➡

Marc Jacobs Mod Noir EDP 50ml, $130.

✳ Prevent perfume from staining your dress or the skin on your neck by applying it behind your ears. Your date will get a nice whiff when he comes in for a hug!

GAP Bright EDT 100ml, $24.99. Available at Chemist Warehouse.
