**W**eather warning: sandal season is in full swing – and that means those

toes are coming out, ladies. Love them or loathe them, feet serve a purpose, and to us that means looking cute in those new Tony Bianco wedges. If you're guilty of some serious pedi neglect, it's OK. We've walked the hard road for you by test-driving these at-home helpers to sort your struggling feet. From nail nourishing treatments to go-to foot files, polish picks and new foot masks, all you need to do is kick up your heels and enjoy.

ALESSANDRA AMBROSIO

**TIP**

For a DIY foot soak, mix lemon juice, salt or bath salt and essential oils.

# Sole SAVIOURS

Show your tootsies some summer loving!

**PEDIPRO CALLUS REMOVER \$24.99**

**MANICARE CHEMISTWAREHOUSE.**

COM.AU – We know feet aren't the sexiest, but buffing dead skin off your soles does make them semi-bearable to look at. This newbie from Manicare combines 240 micro blades to gently remove annoying calluses and dry skin easily.

**COLOR THERAPY ROSE OIL CUTICLE & NAIL OIL \$16.95**

**SALLY HANSEN CHEMISTWAREHOUSE.COM.AU**

– Hate your dry and peeling cuticles? Argan oil is your saviour. Get your hands on this new rose-scented formula and brush onto cuticles and nails daily, making sure to massage in fully.

**TRAVEL ROTARY NAIL CLIPPER \$19.99**

**MANICARE CHEMISTWAREHOUSE.**

COM.AU – Did you know not all nail clippers are created the same? This tool twists and trims at different angles, so you can clip like a pro. Plus its in-built nail file makes it cabin luggage compliant – very handy (pun intended).

**FOOT BALM \$22.95**

**WELEDA WELEDA.**

COM.AU – When times are desperate and your feet need a quick fix, look to a thick balm. This cooling one-step wonder repairs, protects and hydrates dry skin quickly – and can also be used all over the body. Try on scaly elbows and knees for a moisture hit!

**ANGLED CUTICLE PUSHER \$12.95**

**BEAUTYPRO I-GLAMOUR.COM**

– For nail polish that sings with the finesse of a pro's touch, it's imperative you push back those cuticles! Warm your feet in water first to soften the skin, then use this precision tool to very gently push cuticles back off the nail bed.

**THE GOLD MASK FOOT \$23**

**STARSKIN SEPHORA.COM.AU**

– Feeling extra boujee? Reach for this tootsie treatment containing two intensely hydrating layers, so your skin can suck up all the goodness. Rich in botanical extracts and vitamins, you can just kick back with *Love Island* while it does its thing.

**SOFTY FOOT LOTION \$16.95**

**LUSH AU.LUSH.COM**

– For an everyday light lotion to keep feet looking and feeling fresh, slather this on them. It has almond oil and cocoa butter to soften, and lavender, bergamot and sandalwood to leave them smelling super-fresh.
