Exactly how to dress to kickstart your new look

IN MY KIT:

Hairstylist Ashley Streicher, who looks after LA types like Mandy Moore from her Beverly Hills salon Striike, reveals her essentials

"All I need is a blow-dryer, a good flat iron like a ghd Styler and a barrel iron. Those three can give me everything from a polished finish to a wild texture."

1. The Airshot hairdryer, \$240, CLOUD NINE, au.cloudninehair.com
12. Platinum Styler, \$315, GHD, ghdhair.com/au
16. Curve Soft Curl Tong, \$230, GHD, ghdhair.com/au

"I prefer to be barefoot when I work. And jobs for the red carpet always tend to be quick. I'm not a huge snacker, but if I work with my sister [Jenn, a makeup artist], she's always fully stocked with all the essentials, including these curiously strong mints that I eat like candy."

2. Peppermint Tin, \$3.99, ALTOIDS, usafoods.com.au
3. Bobby Pins in Blonde, Black and Brown, \$3.29 per pack, LADY JAYNE, ladyjayne.com.au
4. Portable Case, \$1.95, MUJI, muji.com/au

"This product has the best balance of feeling clean but still gritty, with the perfect amount of volume."

5. Volume Powder, \$45, SACHAJUAN, sachajuan.com.au

"Mandy and I have a small obsession with this velvet bow. We've done three different versions of it on the red carpet. It's so feminine, beautiful, simple and original."

6. Black Velvet Bow Barrette, \$150, JENNIFER BEHR, desordrestore.com

"This is the best building hairspray – it's crushable so gives a soft look, and the more you use, the stronger it becomes."

7. This Is A Medium Hairspray, \$35.95, DAVINES, (07) 3850 6200

"My clients always want to steal this product – I usually give it to them. Not all hair is created equal, so I'm always

prepared with texturising products of different weights for all kinds of hair."

8. Dry Finish Working Texture Spray, \$18, KRISTIN ESS, kristinesshair.com

"I always have this paste on hand for emergency flyaways, to tame a cowlick or to give short hair texture."

9. Quicksand, \$29.95, HANZ DE FUKO, 1300 764 437

"I have separate bags and containers for all my products, tools and pins – separated into brunettes and blondes."

10. Large Metallic Double Bar Slides, \$11.49 for three, LADY JAYNE, ladyjayne.com.au

11. Eva Clear Case M, \$2.95,

MUJI, muji.com/au; Snagless Elastics in Black, \$6.98 for pack, LADY JAYNE, ladyjayne.com.au

"It's important I have a flyaway comb or toothbrush to make sure any baby hairs around the hairline can be lightly sprayed and brushed down."

13. Goldilocks No.5 Fine Plastic Tail Comb, \$7.15, KREST, iglamour.com

14. Gold Medium Styling Comb, \$30, JANEKE, janeke.com.au

15. Gold Toothbrush, \$17, JANEKE, janeke.com.au
