THE FUTURE IS FASTER, GENTLER HEAT STYLING

Introducing **Silver Bullet** Infrared Series, the faster, better and gentler way to superior heat styling. An innovative strip of powerful infrared lights infuses a gentle heat deep inside the hair shaft. Hair absorbs heat from the inside out, resulting in less damage, retained moisture and brilliant shine.

Available from Glamaco, Beautopia, Hair Health & Beauty, Shampoo Shop, selected Hairhouse Warehouse stores, leading salons, myhaircare.com.au, ry.com.au and i-glamour.com. For stockists call Dateline Imports P/L on 1800 251 215 or visit silverbullethair.com.au
