## TRENDING THIS WEEK...

### TOUSLED LOBS

Here's how to get effortless locks like the A-listers

**EMMA STONE**  
'Emma's waves are dishevelled, but still glamorous,' Alison says. 'Her shoulder-grazing lob is the perfect length and that copper-red hue is just unbeatable!'

**ROSIE HUNTINGTON-WHITELEY**  
'The side part and roughed-up texture gives her plenty of volume while her bright red pout adds instant glamour!'

**ALEXA CHUNG**  
'Alexa is right on point with her trademark texturised lob. Her hair is not too done and not too messy. The perfect balance!'

**LOOK OF THE WEEK!**

**CATE BLANCHETT**  
**ROKSANDA ILINCIC**  
Laura says: 'I love colour on Cate - and these bold hues are not easy to wear - but I would have liked to see it with open-toed heels. She's nailed the fresh make-up and soft hairdo.'

**GIULIANA RANCIC**  
**ALEX PERRY**  
Alison says: 'Giuliana looks stunning. I love the sheer black beaded top and sleeves over the white strapless bodice. Her tousled waves add just the right amount of elegance.'

**CARISSA WOLFORD**  
**BALMAIN**  
Alison says: 'Wow! Carissa looks fierce in Balmain. She has perfectly styled this look with a sleek low ponytail, killer heels and minimal accessories, allowing her dress to steal the spotlight.'

**BAMBI NORTHWOOD BLYTH**  
**LOVER**  
Alison says: 'The brunette beauty looks feminine and flirty in this snakeskin print dress. Her beige pointed pumps and casual waves are spot on. Love it!'

**SAMANTHA JADE**  
**THE DOLL HOUSE**  
Laura says: 'Samantha looks every bit the sweetheart in this fuchsia number. The neckline flatters her petite frame and her matching lip colour finishes the look perfectly.'

**HOW TO**

Prep hair with a texturising spray before blowdrying. Tong from mid-lengths to ends and once cool, brush for a more relaxed look. Finish with texture spray for a more undone 'do.
