abeerafarooq11 Everybody know about very hype korean skincare ... i have been so much into that these days too...U guys have seen me using @omg.mask @doubledarespa 3 in 1 kit peel of mask ....and i loved it how it was so compact all in one ,mess free ,handy ,travel friendly , useful and funky all at the same time ...

It left my skin feeling clean,soft and smooth ready to absorb moisturiser and its benefits ... Has super targeted treatments in there easy and on the go packaging ....avoiding any unnecessary clutter ....carefully curated using the most effective and skin loving ingredients... they have spa collections which is fun ,flirty and spa inspired And platinum collection which is 3 in 1 kits

So much variety to choose from them Omg masks uses nifty pouches instead of jars and bottles or tubes ... And this super cute headband is soft,comfy,fluffy and very easy on the hairs headband which is available in 8 very cute colours to choose from ... u can wear it at anywhere bed,gym.... spa anyway ... Omg masks are available in Australia through @iglamour\_au Donot forget to check them out they are super trendy and useful ...
