abrokegirlwithexpensivetaste My latest obsession is MASKS and these OMG! Masks are so much fun ❤️ I tried the Platinum Hot pink which is a 3 in 1 peel off mask, my skin has a glow to it this morning. Its super easy and all done one 3 steps.

First step is: The first is the Detox Bubbling mask which you leave on for 3 min

Second step: The Hot pink peel off mask which you leave on for 20-30min

It has rosa centifolia flower extract which is soothing

Broccoli Extract- Firming

Cabbage leaf extract - Antioxidant

Pelargonium graveolens flower oil - soothing

Third step: The Serum pad, Removes mask residue and the pad has a moisturising serum which keeps the skin smooth.

Can't wait to do the next one!
