## 366 DAYS OF AWESOME HAIR

Pretty much everything you need to look fabulous

**GHD TAIL COMB, \$12**

Ace for getting volume at the roots by backcombing, or slicking down flyaways on smooth styles.

**SCÜNCI MINI PINS, \$5.95**

The humble bobby pin is fab for fixing strays, and for entire styles.

**LABEL.M MIRACLE FIBRE, \$37.95**

Finding a go-to, versatile styling product that works for your hair means you can create pretty much any style, any time.

**LADY JAYNE MYSTYLE SELF HOLD ROLLERS, \$8.46**

Blowdry or curl, then pop into the top and front sections. Leave them there while you do your makeup.

**WELLA PRO SERIES VOLUME MOUSSE, \$7.99**

Mousse isn't only for curly girls. Work it into the roots of damp hair for undetectable hold and body.

**BABYLISPRO 38MM CERAMIC CURLING IRON, \$87.95**

A barrel tong is so versatile. Hold it in your hair for cascading curls, or glide it slowly for blowdry-like bends.

**ELITE SMALL CLAW CLIP, \$7.95**

Claw clips make styling so much easier. Use them to hold sections of hair out of the way while you work on the back and sides.

"Always untangle your hair with a comb when it's dry, before hopping in the shower. Wet hair is weaker and more susceptible to breaking." COSMO
