Accessorise all areas

Put down the boring old bobby pins and dress your tresses in some of this season's hottest hair accessories.

Totally tribal

Step 1: Spritz some dry shampoo all over your hair and brush through roughly. This helps give your hair a gritty, messy texture. Try: *Klorane Extra Gentle Oat Milk Dry Shampoo* \$14.95 (150ml)

Step 2: Tease your hair at the root slightly to give it extra volume. Divide your hair in two down the middle. Try: *Lady Jayne Tail Comb* \$3.97

Step 3: To make a fish braid, start by splitting your hair into two sections. Take a small piece of hair from the outer side of one section and move it across to the other section. Now do the same with the other side. Go back to the first section and repeat the steps down the lengths of your hair. Secure with a clear band and repeat on the other side.

Try: *Gliders Song Free Hair Elastics* \$4.15 (pack of 30)

Step 4: Wrap leather strips or ribbons over the bands to cover them. Stick feathers throughout the braids and under the bands for a fun, tribal finish.

Other tribal trends

1 *Revlon Scarf Headband* from \$9.95 (pack of 2) 2 *Mimco Headband* \$49.95 3 *Colette Accessories Headband* \$8.95

Bold brights

Step 1: Divide your hair into two sections horizontally and pin the front section out of the way. Apply a heat protector to the remainder of your hair. Try: *Tresemme Thermal Creations Heat Tamer Protective Spray* \$9.95

Step 2: Pull the rest of your hair into a low ponytail. Curl the lengths around a tong so they're nice and bouncy. Try: *Remington Curls Curler* \$42.95

Step 3: Split the front section of your hair in two down the middle. Wrap one section around a curling tong away from your face. Leave for a few seconds.

Step 4: Pull the tong out and pin the curl into place, keeping its

shape. Repeat on the other section. Place your accessories behind the rolls.

Try: *Lady Jayne Bobby Pins* \$2.29 (pack of 18)

More loud and proud bows

DO: KNOW YOUR INGREDIENTS

Calm your irritated skin and battle dry patches by looking for a moisturiser that contains super nourishing ingredients like hyaluronic acid, pro-vitamin B5 and evening primrose oil.

- 3 Innox Thirsty Skin Day & Night Crème \$29.95
- 4 Simple Skincare Daily Light Moisturiser \$11.49 (125mL)
- 5 Natio Evening Primrose Moisturising Face Lotion \$13.95

DON'T: FORGET ABOUT TIMING

Lock in the moisture by applying body lotion as soon as you've hopped out of the shower, while your skin is still damp.

- 6 Nivea Body Express Hydration Body Lotion \$7.99

DO: KEEP UP YOUR H2O

Not drinking enough water can lead to dehydration, which is a major cause of dry skin. Eight glasses a day will hydrate you from the inside, out.

3 TO TRY: BODY BUTTERS

Richer than standard body lotions, these souped-up solutions are worth every penny.

One side is heavier for dry areas like the elbows and knees:

- The Body Shop Body Butter Duo in Vanilla \$29.95

Fresh and yummy, not sickly-sweet:

- Inecto Pure Coconut Intensely Moisturising Body Butter \$14.95

Get your dose of summer fruits:

- Designer Brands Mango Body Butter \$12.99

GOOD THINGS COME IN SMALL PACKAGES

A drop of any therapeutic oil (we heart rosehip oil) can do so much. Mix it into your fave moisturiser to give it a boost in the hydration stakes, use it as a gentle eye make-up remover or dab it directly onto dry patches to calm them down, stat.

- 1 Trilogy Certified Organic Rosehip Oil from \$21.95
- 2 Palmer's Cocoa Butter Formula Skin Therapy Oil from \$9.95

THAT'S A BIT ROUGH!

If your skin feels extra rough and flaky in winter, it's time to up the exfoliation, says Emma. "Exfoliation of your face and body is extra important in winter to prevent dry, rough skin. It's ideal to pick it up to three times per week during the cooler months," she says. A moisturising scrub is perfect for your bod, but anything abrasive or scratchy may be too harsh for your already sensitive winter face. Go for a gentle microfoliant mixed with your cleanser or some water.

- 1 Sbe Cosmetics Red Rice Exfoliating Powder \$19.95
- 2 NP Set Body Polish in Jalpur Jasmine \$14.99
- 3 Radox Exfoliate Shower Scrub \$9.99

- 6 Redken 5th Avenue NYC Extreme Root Control Intense Renewal \$35

DOLLY TIP: EXCESS WATER IN YOUR STRANDS WILL ONLY DILUTE THAT EXXY TREATMENT YOU SAVED UP FOR, SO ALWAYS TOWEL DRY YOUR HAIR BEFORE APPLYING A MASQUE.

Avoid a greasy scalp by only applying leave-in product from your mid-lengths, down.

- 7 REF Argan Oil \$29.50
- 8 Schwarzkopf Extra Care Repair & Gloss Treatment \$8.99
- 9 Goldwell DualSenses Rich Repair Leave-In Cream \$20.95

PAWS LOOKING WORSE FOR WEAR?

Apart from your face, your hands are the hardest battlers against the elements. Sally Hansen manicurist Alison Bowhill-Hayes shares her top three tips for saving your mitts:

USE A HAND CREAM WITH A PROTECTIVE BARRIER FUNCTION AND APPLY IT GENEROUSLY.

- 1 Sally Hansen Nail & Cuticles Hand Creme \$9.95

WEAR COTTON GLOVES TO BED.
