**DOLLY TIP:** Keep flyaway hairs at bay by spritzing hairspray across your crown and dusting over with a clean make-up powder brush.

## SLEEK HIGH PONY

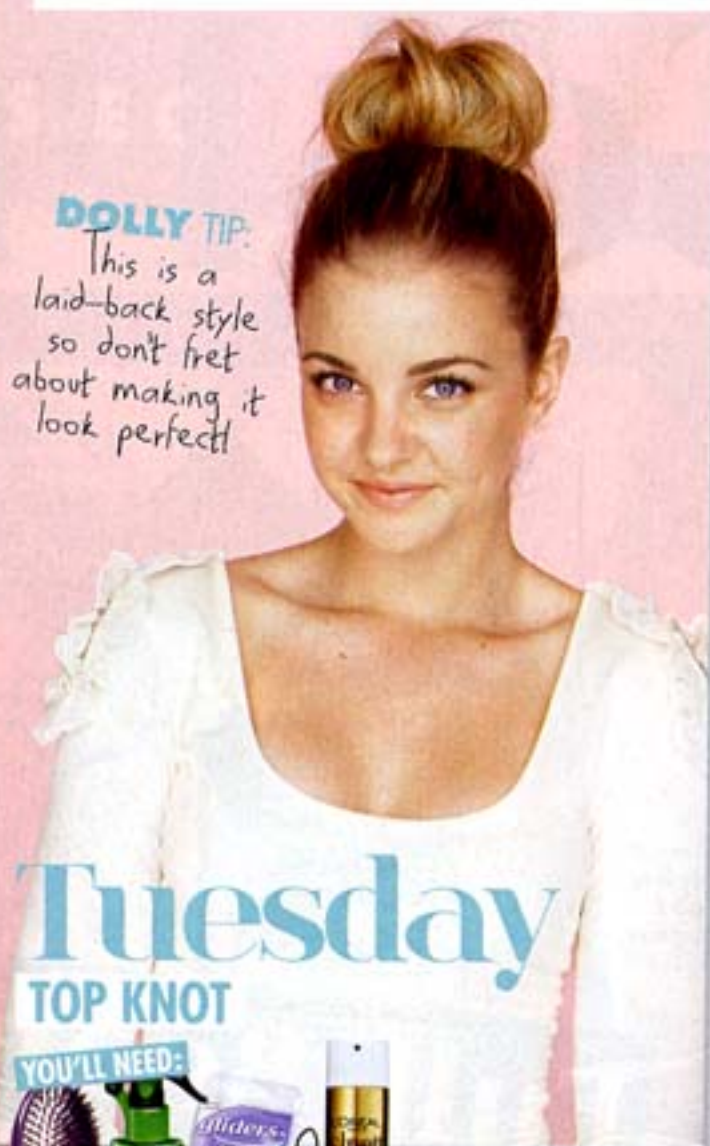

YOU'LL NEED:

**STEP ONE:** Straighten all your hair thoroughly and spritz with shine spray.  
**STEP TWO:** Brush your hair, pulling it up onto the top of your head, making sure

the front is super smooth. Secure with a hair tie.  
**STEP THREE:** Straighten your ponytail again so it's nice and sleek.  
**STEP FOUR:** Take a small section of the ponytail and wrap it around the hair tie to hide it. Secure hair with a bobby pin. Finish with a spritz of hairspray.

**DOLLY TIP:** This is a laid-back style so don't fret about making it look perfect!

## TOP KNOT

YOU'LL NEED:

**STEP ONE:** Spritz your hair with texturising spray and brush it up into a high ponytail on the top of your head.  
**STEP TWO:** Tease the

underside of the ponytail so it's nice and fluffy.  
**STEP THREE:** Twist the pony, wrapping it around the base of the elastic and into a bun.  
**STEP FOUR:** Pin into place. Soften the bun a little with your fingers and spray with hairspray.

# Easy Monday to Friday dos

School days can be boring, but your hair doesn't have to be.

YOUR BASIC KIT

**DOLLY TIP:**  
If you find it hard to curl with a straightener, a curling wand will do the trick!

**STEP ONE:** Blow wave the front section of your hair forward to create a sweeping style fringe.  
**STEP TWO:** To create loose curls, take small sections of hair and hold the straightener horizontally at the roots. Pull it down, twisting it as you go. Spray all over with shine spray.  
**STEP THREE:** Leaving the front section of your hair out, secure your hair into a low ponytail to one side. Cover the hair tie with a small strand of hair and pin into place.  
**STEP FOUR:** Loosely twist the remaining front section of hair away from your face and pin into place above your ear.

# Thursday

## LOW PONY

**DOLLY TIP:**  
Keep your hands as close to your hair as possible when braiding to keep it neat and tight.

# Wednesday

## FISH PLAIT

**STEP ONE:** Roughen up your hair with some texturising spray and pull it across to one side.  
**STEP TWO:** Divide your hair into two sections. Take a small piece of hair from the outer side of one section and move it across to the

other section. Now do the same with the other side. Go back to the first section and repeat the steps.  
**STEP THREE:** Repeat these steps down the lengths of your hair and don't worry if it doesn't look like much at first! Secure with a hair tie when you reach the bottom.  
**STEP FOUR:** Spray all over with hairspray, then soften and fatten up the braid by gently pulling it between your fingers.

**DOLLY TIP:**  
Clot something on after school. Take out the bun and leave the plaits. Voilà, pretty Friday night hair!

# Friday

## UPDO

**STEP ONE:** Divide your hair into two parts from the point just behind your ear. Tie the back section into a ponytail and leave the front section loose.  
**STEP TWO:** Twist the ponytail around and into a bun. Pin into place with the fringe pins.  
**STEP THREE:** Split the loose hair

in half down the middle and then in half again, so you have four sections.  
**STEP FOUR:** Plait each section towards the back of your head and pin into place around the bun with the bobby pins. Soften the style with your fingers and spray all over with hairspray.

## LAUREN CONRAD

**WINTERFY IT:** NUDE 'TUDE. Lauren hearts teaming her signature eyeliner with peachy cheeks no matter what the weather, but she keeps things clean and not too OTT by swapping bright pink lips for a classic nude lip gloss when her tan starts to fade.

**TRY:** So natural, it's school friendly: 1 Kink Lip Lustré in Bella S8 Get glam, stat: 2 Napoleon Perdis China Doll Eyeliner in Silver S30 Slightly minty for an extra kick: 3 Too Faced Glamour Gloss in Barely Legal S34

## VANESSA HUDGENS

**WINTERFY IT:** GO FOR GOLD. Vanessa rarely strays from her staple smoky eye, but switches her hues from silvers to bronzes when the weather cools down. Warmer on the skin, gold shades won't wash out a paler complexion like greys can.

**TRY:** Shimmery, for special occasions: 1 Maybelline EyeStudio Eyeshadow Quad in Give me Gold S16.95 Intensely pigmented: 2 Max Factor Eye Effect Eyeshadow in Bronze Haze S21.95 Smudge into your lash line: 3 Revlon Luxurious Color Smoky Crayon in Bronze Smoke S23.95

## LEA MICHELE

**WINTERFY IT:** TRADITIONAL TONES. Lea looks super cute with aqua-rimmed eyes and sun-kissed skin in summer, but when winter rolls around, she goes for classic liner shades like black or brown teamed with falsies for extra impact.

**TRY:** Look super natural: 1 Lash Me Sarah Reusable Lashes S9.95 Lasts as long as liquid liner: 2 CoverGirl LiquilineBlast Eyeliner Pencil in Brown Blaze S17.95 Stick to your top lash line only: 3 Australis Lash TLC Conditioning Curling Mascara S14.95

## HAYDEN PANETTIERE

**WINTERFY IT:** LET IT GLOW. A full-blown fake tan in the middle of winter is a little out of place, but Hayden's onto it. For a winter-fresh, glowing complexion, she trades in her fake tan for a shimmery highlighter swept across the highs of her cheeks and forehead.

**TRY:** Doubles as a bronzer: 1 BYS Shimmer Pearls S6.95 Mix with moisturiser or foundation for an all-over glow: 2 Benefit High Beam complexion enhancer S45 Moisturising, perfect for winter: 3 Bourjois Paris Healthy Mix Serum Gel Foundation in Light Beige S32

# BEST OF online beauty
