PARLUX 385

Weightless Elegance

Meet the incredibly light yet incredibly powerful **Parlux 385 Power Light Ceramic and Ionic Hair Dryer**. With unparalleled **Parlux** performance, you'll achieve classic elegance and cool timeless style without being weighed down by cumbersome hair dryers. From **Parlux**, the #1 professional hair dryer brand worldwide.

CAUTION: Counterfeit Parlux 3500 and 3800 dryers are being offered for sale, mainly online, on the Australian market. Counterfeit Parlux dryers are readily identifiable by the dark coloured metal grill at the rear, white/black numbers instead of the words "med" and "max" on switches, dark coloured screws, no SAA approval number on the label on the back of the handle, no warning tag adjacent to the plug, "made in Italy" not stated on the box, multi lingual instructions, an invalid factory warranty for only 6 months without a local contact address and, in some cases, without an Australian plug.

Available from Price Attack, Shaver Shop, Glamaco, Petra Hair Care, selected Hairhouse Warehouse stores and leading salons
