FULL VOLUME

Hair with height makes a return this season. To dial up the drama, work a volume-boosting mousse through wet lengths. Attach the diffuser to your dryer, bend upside down and blast air at your roots.

End Game

When it comes to the biggest trend in cuts, channel stars like Olivia Palermo and aim for "deliciously blunt ends", Nader says. "Whether you have a bob or long hair, it's all about a clean texture, meaning the hair hasn't been thinned out with layers and the ends are blunt. This helps to amplify the healthiness of the hair."

Skincare For Hair

Scalp care is an important step in your beauty regimen that's often forgotten. Salicylic acid in this pre-shampoo mask sloughs away product build-up, while menthol helps to soothe irritation for a feeling of freshness you won't recognise.
