CHRISTIAN DIOR

## loud mouth

**THE LOOK:** This year, lipstick's most iconic colour was celebrated, proving there are endless ways to wear a red lip. With inspirations ranging from classic Hollywood glamour at Christian Dior to pop art at Rick Owens, it's time to go for a traffic-stopping tone.

**THE SECRET:** Scarlet shades can be tricky as the wrong option can highlight redness in your complexion. If you're fair, look for blue-based tones, or for olive skin, consider orange or plum hues.

**THE TOOLS:** Yves Saint Laurent Rouge Pur Couture Glossy Stain (1), \$50; Dior Addict Lipstick in Fashion (2), \$49; Giorgio Armani Smooth Silk Lip Pencil in 4 (3 & 4), \$44; Lancôme L'Absolu Rouge Lipstick in 134 (5), \$49.

## ladylike 'dos

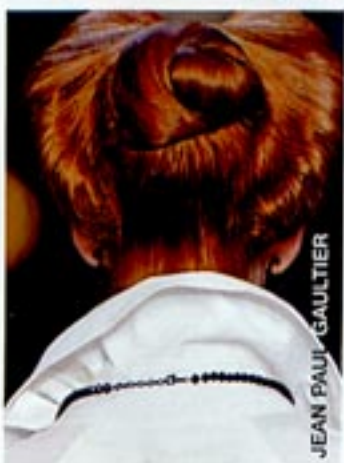

**THE LOOK:** Up-dos displayed a dishevelled elegance, offering a modern twist on traditional '60s styles. Instead of stiff chignons and French rolls, stylists played with texture, opting for bold bouffants that were full of volume, but still soft.

**THE SECRET:** Building body and adding grip to your strands is key to keeping these styles in place. So, before creating the look, apply a malleable volumising mousse along with a matt-finish texturising cream to your lengths to help boost volume - without stiffness.

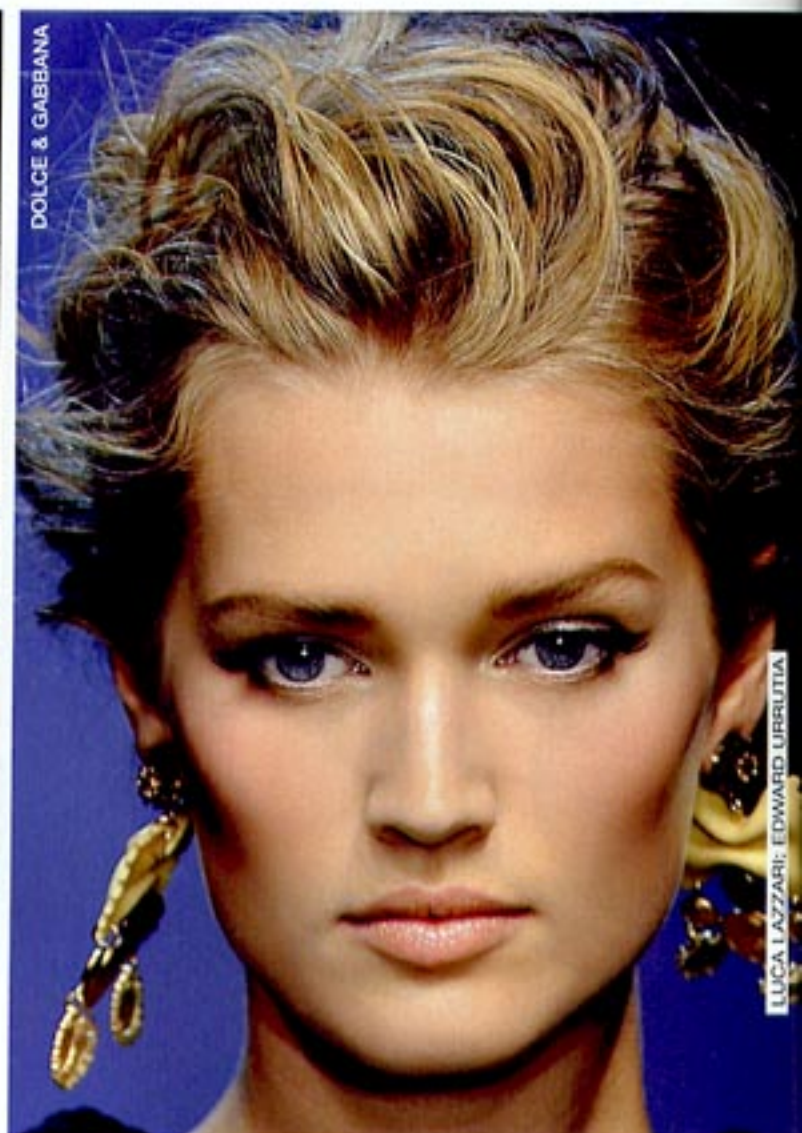

**THE TOOLS:** Hair FX Bobby Pins (6), from \$3.50 for a pack of 60; John Frieda Collection Luxurious Volume Thickening Texture Paste (7), \$15.99; ghd Total Volume Foam (8), \$22.

disco fever

**THE LOOK:** A '70s revival saw luxe waves and full and fabulous Studio 54 styles stage a comeback. Some stylists chose precise curls, while others replicated 'dos full of volume, fluff and fun.

**THE SECRET:** Opt for over-the-top volume. Instead of backcombing - which can cause damage - look for products that can help add height. Or, if you're after polished perfection, define your curls by loosely wrapping sections of your strands around a barrel tong.

**THE TOOLS:** BaByliss PRO Ceramic 25mm Curling Iron (9), \$82.95; KMS California Freeshape Quick Blow Dry Spray (10), \$31.95; Schwarzkopf Taft Cashmere Touch Power Mousse (11), \$4.40; Kevin. Murphy Texture.Master (12), \$34.95.

the bare necessities

**THE LOOK:** This year, consider pared-back perfection. Rather than the natural faces of past seasons, this look requires a little more product. Make-up artists relied on barely there bases, defined brows and pretty pink lips.

**THE SECRET:** It's about looking as though you haven't tried too hard, so for a subtle, full flutter, apply brown mascara to the roots of lashes and rub in the colour with your fingers.

**THE TOOLS:** Rimmel Powder Blush in Santa Rose (13), \$9.95; Olay Complete Care Touch Of Foundation Even Complexion Day Cream in Medium (14), \$14.69; Shiseido Perfect Rouge Lipstick in Dune (15), \$45; Revlon ColourStay Eyebrow Liner in Dark Brown (16), \$21.95; Benefit BADgal Brown Mascara in Deep Brown (17), \$38; Clarins Gloss Prodiges in Nude (18), \$35; Maybelline New York FIT Me! Foundation in 230 (19), \$18.95. ▶
