# Mini makeover! TIME FOR A NEW...

Six quick-and-easy beauty products that are sure to give your look an instant update!

**1** You don't have to spend a fortune if you want to reinvent your look – just give your beauty bag a makeover instead! Here are six essentials to add to your shopping list.

**1 FRAGRANCE**  
A new scent will shake up your beauty routine. Mix heady oriental and chypres with lighter floral and citrus fragrances, so you'll have one to suit every mood.

**2 FOUNDATION**  
Go for formulas that do more than just hide blemishes. A tinted moisturiser boosts radiance and gives skin a healthy protective glow.

**3 LIP COLOUR**  
If you're stuck in a rut and always go nude, vamp it up with a bold hue such as coral, burgundy or even rock some red like Gwen Stefani (right). They are this season's must-have shades. If you are unsure, start with a bold gloss.

**4 AT-HOME COLOUR**  
The latest non-drip formulas are even easier to apply and leave hair looking shiny with a natural, long-lasting colour.

**5 MASCARA**  
It's all about boosting your lashes this season, so swap your regular mascara for one that gives a false-lash effect – it'll take years off, too!

**6 HAIR TOOL**  
Go for a multi-tasking hair tool so you can change your hair from straight to wavy in an instant.

1 L'Oréal Paris Colour Riche Nutri Shine lipstick in Strawberry Juice, \$22.95. 2 Revlon limited-edition vintage Super Lustrous Lipstick in Fire & Ice, \$25.95. 3 L'Oréal Paris Sublime Mousse Permanent Hair Colour, \$17.95. 4 Swarovski Aura EDP (50ml), \$120. 5 BaBylissPRO C Styler, \$99.95. 6 CoverGirl Lash Blast Fusion Mascara, \$18.95. 7 Clarins HydraQuench Tinted Moisturiser, \$58.

**DID YOU KNOW?**

Jennifer Lopez went grey at age 23 and the 42-year-old says she's been dyeing her hair every two weeks ever since!

**Eco.Kid Daily Tonic Leave-In Conditioner**  
\$24.95,

If you have kids you know nits are a (trying) part of our world. This organic Aussie range is brilliant! I use this lovely-smelling preventative spray on my nine-year-old to scare the nits off arriving in the first place.
