# Zoey Deschanel's HAIR SECRETS

The gorgeous actress and singer shares her tips for super shiny, luscious locks...

## 1 Use vinegar for shine

'A tablespoon of white vinegar with cold water is great for making hair shiny,' admits low-key Zoey.

## 2 I don't dye my hair

'I might get highlights once or twice a year, but I have thick, wavy brown hair naturally,' she adds. 'I do get my bangs cut every two to three weeks, though – and when I do I feel a sigh of relief.'

## 3 I love a big round brush

'As well as the brush, I can't live without a good hair dryer and a one-inch curling iron,' she adds.

## 4 I dry my fringe first

'I dry it with my round brush [to] get rid of any cowlicks before it dries naturally,' she says. 'I feel mostly myself with my bangs.'

Why Zoey loves Pantene Beautiful Lengths shampoo and conditioner: 'I don't have to trim my hair as much and they keep my ends healthy.'

Pantene Pro-V Beautiful Lengths Strengthening Shampoo (a), \$7.99. Parlux 385 Power Light Ceramic & Ionic Dryer (b), \$219.95. Brushworx Tourmaline Large Boar Bristle Radial Brush (c), \$20.95. Silver Bullet Celebrity Curls Ceramic Curling Iron (d), \$69.95.

Zoey is an ambassador for Pantene Beautiful Lengths, which encourages women to donate their hair to make wigs for women with cancer. 'Australia and New Zealand have received 5000 ponytails so far, which will make a huge difference,' she says.
