Upgrade your kit!

The seven essentials that make-up artists swear by for a professional look

Katrina makes sure celebrities such as Aussie Megan Gale are red-carpet ready.

1 A GREAT FOUNDATION

'It's important to match your skintone exactly, so keep three shades in your kit,' says celebrity make-up artist Katrina Raftery. 'As the seasons change, so does your skintone. Keeping a few shades means you can blend to match your colouring throughout the year.'

SPLURGE: Estee Lauder Perfectionist Youth-infusing Make-up SPF 25, \$72.
SAVE: Designer Brands Firming Age Revive Foundation, \$16.99.

4 IVORY EYELINER

'Use this to counteract redness and fatigue, drawing it inside the lid to bring light to the eyes,' Katrina says.
SPLURGE: Napoleon Perdis Eye Pencil in White On, \$30.
SAVE: Maybelline New York Big Eyes Eyeliner in White/Black, \$11.95.

6 HIGHLIGHTERS

'Trio wheel highlighters are great for all skintones! You can contour with the bronze shades and use lighter shades on the brow bone and the jawline to reflect light and create a halo effect. Use the peach in place of your traditional blush.'

SPLURGE: ModelCo Highlighting Trio, \$22.
CELEB ALERT: Model Hailey Baldwin (bottom) loves ModelCo!
SAVE: Savvy Luna Trio Highlighter, \$6.99.

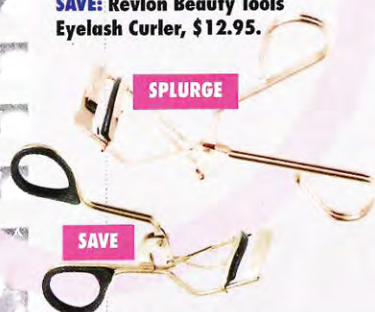

2 EYELASH CURLERS

'A must for a bright-eyed look! Curling eyelashes directs them skywards, which casts fewer shadows and creates a youthful eye,' Katrina adds.
SPLURGE: Tweezerman ProCurl Eyelash Curler, \$43.95.
SAVE: Revlon Beauty Tools Eyelash Curler, \$12.95.

5 CORAL LIPSTICK

'A coral lip colour lends itself to any occasion, any age and any skintone. Even if you're caught on the run at a last-minute cocktail invitation, it is perfect!'
SPLURGE: M.A.C Cremesheen Lipstick in Peach Blossom, \$36.
SAVE: Rimmel London Moisture Renew Sheer & Shine Lipstick in Spin All Spring, \$13.95.

7 A FAN BRUSH

'Perfect for applying heavily pigmented bronzer, this disperses colour evenly and allows for better blending. Begin at the apple of the cheek and sweep up to the brow bone. It's also fantastic for picking up eye shadow spills under the eyes.'

SPLURGE: Inika Organic Vegan Fan Brush, \$39.
SAVE: BeautyPRO Fan Brush, \$8.75.

3 BROW GEL

'Use this to set brows upwards and help create a bright-eyed look.'

SPLURGE: Shu Uemura Eyebrow Manicure, \$40.
SAVE: Bourjois Brow Design, \$20.
