## MOVIE NIGHT

Senna is a struggling fashion designer who's given up on finding a soulmate. Every year she's getting a little older... but she's not growing up. But what happens when a girl who doesn't believe in marriage finally finds the love of her life? Sharon Stone shines in the sexy comedy, *A Little Something For Your Birthday*. Out now on DVD and Digital.

## BLENDED FOR BEAUTIFUL HAIR

This exclusive Theorie blend utilises the potency of Rose Extract and Keratin Proteins to refresh and nourish all hair types. Packed with emollient properties to increase absorption, this formula adds gloss and eliminates tangles for hair that looks effortlessly gorgeous and luxurious.
