*Keratin* **COLOUR**

**Keratin-enriched salon colour**

*Keratin Colour* is the only professional Keratin-enriched hair colour range. It transforms colour for longer-lasting, vibrant results by locking colourants deep into the hair shaft and fusing them there for longer. White chocolate blondes, blush champagne tones, deep cocoa browns, vivid red hues – it's all possible, and for longer, with *Keratin Colour*. Setting the new standard for flawless, fade-resistant, luxurious salon colour.

Only available from leading salons. For your nearest Keratin Colour salon call Dateline Imports P/L on 1800 251 215 or visit [www.datelinecity.com](http://www.datelinecity.com)

I love...  
raspberry  
& blackberry

Super juicy and bursting with life, feel exhilarated,  
as my delicious aroma of freshly squeezed  
raspberries, and succulent blackberries, infuse  
to create a fragrance sensation so fruity,  
I could be one of your fav-a-day!

Tip!

Perfecting a sexy red pout  
is all about choosing the  
right shade for your skin tone.  
Fair complexions suit reds with  
blue undertones while golden,  
tan or peach complexions  
suit warmer orange-  
based reds
