# AWARD-WINNING Style

PHARMACIES HELP YOU GET THE  
AWARD-WINNING LOOK YOU WANT!

## 2nd day styling

The **Revlon Ceramic Curling Iron** is your second-day styling solution. Adds loose curl to bed hair in minutes. Wrap large sections of hair around the barrel, clamp and release. The ceramic barrel closes the cuticle for added shine and locks curl in place for longer.

## A multi-tasker must

How many hair products do you have to fight frizz, protect colour, protect from heat, and to style?

Well now you only need one - **BaBylissPRO Argan Oil**. A special blend of protective silicones and Argan Oil producing the definitive hair care multi-tasker.

## MOISTURE MIRACLE

Take control of frizz with **Inecto Pure Coconut Oil hair care**. Coconut oil is jam-packed full of moisture to nourish and hydrate dry hair, which is usually the cause of frizz. Use once and you too will be convinced that **Inecto** is a moisture miracle.

### DRAMATIC EYES

From runway to real life, Autumn/Winter trends continue to command a dramatic lash line. From a sultry flick to an all out punch of bold colour, **Lash Me Professional Reusable Eyelashes** have all your lash fantasies covered with over 75 styles.

### Brushing royalty

One of the most recognised brush brands in Australia, **DuBoa** is a brushing institution for gently removing knots, tangles and styling product from hair.

### The cut trend

Short, sharp and adorable – many celebrities have recently gone the chop! So what's the styling product of choice for this head turning trend? **DAX Wave & Groom**. It styles, slicks, sculpts and defines like no other – it simply does everything!

### INSTANT SMOOTH SKIN

Forget the shower. Forget the shaving cream. **Veet's All Over Body Shaver** can be used on dry skin. Now there's no need to waste water or your time. Just shave when you want, and be straight out the door.

### FOOT MASSAGE MASTER

Stay on your toes with the **Scholl Crazy Foot Vibrating Foot Massager**. This touch sensitive massager is designed to fit the contours of the foot. The acupressure nodules and vibrations work hard to soothe and relax tired feet.

### Make a statement

Want instant glamour? You need **Scunci hair accessories**. The easiest and fastest way to dress up any look. This season sleek headbands and colourful chunky hair elastics get the fashion-pack grade A.

### And the winner is...

Brow kits come and go but there is only one tweezer which has stood the test of time for over 30 years – the **Tweezerman Slant Tweezer**. Simply put, it's the best! And that's why make-up artists, beauticians, models and celebrities will use nothing else.
