# Shore PONY

The fash pack's approved 'do reigns supreme this season

Guido Palau

**N**onchalant beauty at its best, a low pony is your new go-to, says Redken's global creative director Guido Palau, who styled the models' updos for Victoria Beckham's London Fashion Week show. 'Get the look by applying a penny-sized blob of heat protectant and frizz tamer through lengths and tips of freshly washed hair,' says Guido. 'Next, blow-dry in a messy centre parting, taking care to keep locks smooth. Finally, pull hair into a ponytail at the nape of the neck.' Need more texture? 'Add a touch of bend to your lengths with a large-barrel tong.'

Fancy amping up the look? Make like the street stylists and add statement hair slides.

## Guido's TOOL KIT

**Frizz Dismiss Rebel Tame \$36** Redken [hairhousewarehouse.com.au](http://hairhousewarehouse.com.au)  
Want a leave-in cream that fights frizz while boosting shine and manageability? This game changer does it all.

**Celebrity Curls 3 in 1 Genius Curling Iron \$119.95** Silver Bullet [silverbulletshair.com.au](http://silverbulletshair.com.au) Look for a large barrel to help create a soft, natural wave at the ends of your ponytail.

**Popular Brush Pure Bristle & Nylon Mix \$275** Mason Pearson [hairhousewarehouse.com.au](http://hairhousewarehouse.com.au)  
Guido suggests drying hair with a boar-bristle brush for added lustre. It's expensive but so worth it.

**Elnett Satin Normal Strength Hairspray \$10.99** L'Oréal Paris [priceline.com.au](http://priceline.com.au)  
Keep your pony looking swish and not stiff with just a spritz of this spray.
