Healing Oil

Recently winning the "Most Innovative Product in Haircare" and "Best Defrizzer" at the 2010 Australian Beauty Awards, **Macadamia Natural Oil Healing Oil Treatment** has been reformulated into a spray. An ultra-fine mist that instantly absorbs into the hair, it infuses moisture, health and softness, while providing UV protection, control and shine. What's more, it also reduces drying time by up to 40-50 per cent.

Botanic Beauty

IN ESSENCE Botanically Active is a new natural, plant-based skincare range free of harsh chemicals and fragrances. At least 70 per cent organic, the range is designed to balance, cleanse and nurture the skin naturally. It includes gentle cleanser, milk cleanser, hydrating mist, day cream, night cream, moisture glow tinted moisturiser, facial scrub and a purifying mask.

Liquid Gold

Specially formulated with attention paid to the fine crème, the limited-edition **Private Blend Luxury Organic Olive Oil Crème** from **INVISIBLE ZINC** is encased in a gorgeous golden ball. High in active polyphenols to help skin cells resist photo-ageing damage, it also contains a wealth of organic natural plant extracts, including rosehip oil, aloe vera, grapeseed oil and borage seed oil. Safe for sensitive skin, it can also be used as a hair and nail treatment.

Skin Engineering

The **DR. LEWINN'S Engineered Man Pack** has everything men need for a simple skincare routine. Formulated from the oceanic repair system and menactive complex, the face scrub gently cleanses and helps with oil control, while the day moisturiser visibly firms and hydrates with the added bonus of SPF 15. The pack comes complete with a functional toiletries bag and gym towel.

Tea Tree Wonder

Newly reformulated, **THURSDAY PLANTATION'S Tea Tree Face Wash for Acne** is an all-natural soap-free foaming cleanser, that assists in preventing acne and pimples by gently cleansing the skin to remove a build up of excessive oils. With 100 per cent pure tea tree oil, it also contains chamomile to soothe and stop excessive drying of the skin. What's more, it's now available in a convenient, economical foam pump pack.

Waxing

NATURE'S GEMS

Natural Look's Azulene Pearl and Liquid Gold Wax from Artav are hypoallergenic and non-irritable. The natural and organic resins used in Natural Look waxes are from sustainable sources that, when harvested, pose no threat to primate populations or the environment. The Azulene Pearl Wax is enriched with essential oil of chamomile and contains zinc oxide to soothe and refresh sensitive skin, and the deluxe Liquid Gold Wax has a super fine texture and a brilliant golden colour. KITTING AROUND

Now containing Lycon's premium waxing duo, white hot and strip wax, the Lycon Essential wax starter kit and Professional starter kit make the ideal waxing kits for budding beauty therapists and salons. Affordable, no fuss, and easy to use, the kits contain all the essentials you need to get started. Contact: Lycon (07) 3846 2722.

SPUN OUT

Venetian Spun Lace is the only strip made in Italy exclusively for Caron. Made with a combination of non-woven trip and the comfort of cotton calico, it produces a super absorbent, soft yet strong strip that sticks to wax immediately for fast and efficient results. What's more, it will not fray or tear and can be used on both sides. Contact: Caron Laboratories 1800 245 412.

SMOOTH OPERATORS

ON A ROLL

New from Dateline Imports is the BeautyPro Perfect Fit Waxing Table Paper. With perforated sections, there's no need for cutting. Each roll features perforated, easy-to-tear 40cm sections making it easy to quickly prepare waxing and beauty beds between clients. Made from soft, yet durable non-woven materials, it's a hygienic and convenient way to keep your beds and clients protected. Contact: Dateline Imports (02) 9666 3611.

FOR THE BOYS

Created especially for men, Satin Smooth Titanium Blue is a thin film hard wax. Masculine-scented and enriched with oils and skin soothers, it goes on like a thin and removes easily with no strip. Formulated to harden in seconds and yet always flexible, it never cracks or crystallises. It's also strong enough for coarse hair and yet gentle enough for even the most sensitive areas, making it the ideal choice for male Brazilian bikini waxing. Contact: Dateline Imports (02) 9666 3611.

DOUBLE DAIR

Dair by Caron contains mica, which allows it to glide onto the skin smoothly and softly. Renowned for its flexibility and ease of use, Dair hard and strip waxes remove stubborn and short hairs without bruising or irritating the skin. Designed to suit both male and female skin, it also minimises the formation of ingrown hairs and contains a fruity mango essence. Contact: Caron Laboratories 1800 245 412.
