6 BLUSH THAT MAKES YOU LOOK HEALTHY

Blush shouldn't leave skin looking hot and bothered. Avoid this classic pitfall by starting small: dust or dab pink onto the puffy part of your cheeks. Layer until the colour looks fresh and flirty, not flustered.

TRY: B Collection by Bloom Collecta Colour Cheek Tint in Barossa Valley [1], \$19.95, from Target, 1800 814 788. Models Prefer Blush in Desk to Date [2], \$9.99, from Priceline, 1300 884 411. Make Up Store Blush in Frozen Daiquiri [3], \$35, (02) 9360 5885. Gorgeous Cosmetics Color Pro Blush in Rose Glow [4], \$35, 1300 730 277.

7 'LITTLE MERMAID' HAIR (FOR GROWN-UPS)

Want a casual style that's more than just your average pony? Scrunch damp hair with mousse (it'll give your style some grip), or rake dry hair over to one side with fingertips and roughly plait down your shoulder. That'll keep the wispy, casual feel that a brush would usually smooth down. Mist hairspray all over to hold it.

TRY: L'Oréal Paris Elnett Satin Normal Strength Hairspray [1], \$9.95, 1300 659 259. Garnier Fructis Silky Waves Defining Mousse [2], \$7.35, 1300 659 259. Krest Cleopatra Pink Tail Comb [3], \$4.95, 1800 251 215. Tresemmé Naturals Lightweight Mousse [4], \$7.99, 1800 623 540.
