Dialled up glamour

The new season Thomas Sabo watch collection combines a stylish aesthetic with unique designs, such as the Glam Spirit (shown above), a delicate stainless-steel ladies' watch with a fine mesh bracelet. More than simply timepieces, each model reflects the personality of its wearer with the same dynamic elegance as jewellery. Go to www.thomassabo.com.

Brand new bag

Tommy Hilfiger is the ultimate melting pot of rock'n'roll and fashion, and its autumn/winter '17/'18 Tommy x Gigi collection combines a rebellious attitude with a feminine twist. One of our favourites is the Monogram tote, a high-shine patent bag with an embellished Gigi Hadid logo, favouring the brand's classic colour trio of red, navy and white. Visit www.tommy.com.

Update your brows

Tame unruly eyebrows and add next-level sophistication to your make-up bag in one fell swoop with a Tweezerman Slant Tweezer, now available in the metal effect *du jour*, rose gold. Perfectly plucked brows care of the Slant Tweezer's hand-filed precision tips and glamorous new finish are every make-up maven's brows-that-wow dream come true. For more details, visit www.i-glamour.com.

Ask for the mask

Stressed, dry, chemically treated or coloured hair seeking some much-needed TLC can call on MoroccanOil Intense Hydrating Mask. Used weekly, the rinse-out treatment deeply conditions hair in about five minutes, with results once possible only from the use of heat, revitalising hair with hydrating moisture and protein, and restoring shine and elasticity. Go to www.moroccanoil.com.au.

Clean lines

Don't you just love fashion that endures? Now your favourite clothes will last longer, thanks to the Electrolux UltraMix washing machine. With UltraMix technology, the detergent is premixed in a separate chamber to maximise cleansing power at a lower temperature, ensuring your clothes stay stylish for longer. For more information, visit www.electroluxlife.com.au/fashioncare.
