Our Eyes

Dark circles, lines and bags? Solve any problem plaguing your peepers with these tips

TRY EYE DROPS

FAREWELL, RED Lack of sleep can cause dry, irritated, bloodshot eyes. Lose the red by applying brightening drops, which "contain ingredients that constrict blood vessels so eyes look clear", advises Troy.

Murine Clear Eyes Eye Drops. \$9.95.

Kim Kardashian's sparkling eyes get a little help from celeb make-up artist Troy Surratt.

LENGTHEN LASHES

UP AND AWAY Lifting lashes casts more light onto eyes, which "instantly makes them look brighter", says Troy. "Before applying mascara, curl clean lashes in three squeezes - first at the base, then middle and ends."

IT HEATS UP!

See the latest hot curlers...
1. Tweezerman Super Curl Eyelash Curler. \$16.95. **2. Elite Eyelash Curler.** \$10.25. **3. Manicare Heated Eyelash Curler.** \$12.95.

DRAW THE LINE

BIG DEAL Using a light flesh-toned eye pencil, draw along the lower inner lashline. "This gives the appearance of bigger, rounder-looking eyes, as the shade will blend lashlines into your complexion," Troy explains.

LONG-LASTING LINER!

We love these liners...
1. Avon Smooth Minerals Eyeshadow Pencil in Sand Dune, \$18.99. **2. Stila Kajal Eyeliner** in Topaz, \$38. **3. M.A.C Chromagraphic Pencil** in Nude, \$32.

SOFTEN SKIN

DAILY MUST-DO In the morning, apply an eye cream with antioxidants such as vitamin C, which protects skin from free radicals. At night, use a serum with amino acids to firm skin over time.

STEAL!

Our fave antioxidant wonders...
1. Ultraceuticals Ultra C Eye Cream. \$95. **2. Olay Regenerist Eye Lifting Serum.** \$30.99. **3. Dermalogica Age Reversal Eye Complex.** \$95.

SMASH SHADOWS

SUPER SPARKLE Dust shimmer, especially gold, silver and other metallic shades, on inner corners. "It counteracts shadows that form naturally around the bridge of your nose," Troy says.

J.LO'S PICK!

Check out these cool sparklers...
1. Bourjois Round Pot Eyeshadow in Pink, \$20. **2. Revlon Luxurious Color Molten Metal** in Silver/Gold, \$19.95. **3. L'Oréal Paris Color Appeal Mono** in Golden Shimmer, \$18.45.

GIVE EYES TWINKLE

VIOLET VIEW Instead of basic black or brown mascara, try a rich purple or navy. "These shades reflect light to make the whites of your eyes appear brighter, thereby adding a subtle twinkle around the eyes," Troy says.

UNDER \$10!

Feast your eyes on...
1. BYS Mascara Curling & Lengthening in Purple, \$3.95. **2. Innox Perfect Lash Mascara** in Navy, \$19.95, gives the perfect splash of colour. **3. Benefit BADgal Plum Mascara.** \$38, will make your eyes pop!
