Jules Sebastian My style secrets

From lashes to locks, the *Bringing Sexy Back* stylist reveals how she stays so on-trend in the beauty department

My skin

I cleanse with **Dermalogica Special Cleansing Gel** \$49.50 (1), and I'm big on moisturising as my skin tends to dry out, so I use **Dermalogica Skin Smoothing Cream** \$58 (2). Occasionally I will use the **Dermalogica Multivitamin Power Recovery Masque** \$68 (3) to freshen up and brighten my skin.

My off-duty face

I love **Make Up For Ever HD Foundation** \$62 (4) – it gives good coverage without being thick. I apply it with my fingers so I can control where it goes. **MAC Zoom Lash** \$33 (5) mascara creates a lengthened, tinted lash look. And when it comes to my lips, I go natural with **MAC Sheen Supreme Lipglass Tint in Bubble Gum** \$43 (6).

My big nights

I love a smoky eye, and the bigger the lashes, the better. These are great long-lasting goodies: **Kevin Murphy Body Builder** \$34.95 (7), **Bourjois Smoky Eyes Eyeshadow Trio in Gris Dandy** \$28 (8) and **MUD Chasing Chili Lipstick** \$5 (9).

My hair

These are the products I just can't live without: **Moroccanoil Extra Volume Shampoo and Conditioner** \$35 (10), **Moroccanoil Treatment** \$26.50 (11), **Fudge Salt Spray** \$19.95 (12), **Parlux 3200 Ceramic & Ionic Compact Dryer** \$179.95 (13), **ghd Eclipse** \$300 (14).

My scent

The most beautiful fragrance I've smelt is **Dominique Ropion Portrait of a Lady EDP** \$174 (15). It's a little expensive, so I savour it.
