NEED MORE INSPO? LOOK TO JEN!

Who better for beauty advice than spring racing regular Jen Hawkins?

Gorgeous filly Jennifer Hawkins – ambassador for Colgate Optic White Stakes Day – says, “For the races, it’s important for your skin to be clean and clear. I get extractions once every two months to clean everything out, and I’ll get a dermal sweep for exfoliation as well. At home, I moisturise using Skintitut or Avene. Fragrance-wise, I like Burberry. It’s really fresh.”

- 1 Skintitut Moisture Defence \$45
- 2 Avene Physiolift Smoothing Cream \$68.95
- 3 My Burberry Blush EDP, 50ml \$120

Nars Audacious Lipstick in Bella \$49 “I love a matt, pinky-nude or apricot lip. I’m not into shine – I just end up wanting to lick it off!”

“In my clutch I have a blotting powder to take away shine, and a foundation just in case.”

- 1 M.A.C Blot Powder \$36
- 2 Chanel Vitalumiere Aqua Ultra-Light Skin Perfecting Makeup SPF 15 \$78

“My favourite ever look from spring racing season was this all-black ensemble by Alex Perry. It made me feel confident. I had a really good day.”

KICKING OFF THE SEASON
“I like the off-the-shoulder trend – I saw this suit and loved it. I also love the Gucci headband – I’ll wear it again in summer with denim.”

RACE DAY HAIR HACKS

Hair guru and owner of Raw salon, ANTHONY NADER, knows how to diffuse a hair drama in track-record time!

FIND YOUR ANGLE

“Positioning your hairpiece the right way will lend it the stardom it deserves,” says Anthony. Try not to sit it up too high – a little lower adds mystery, so play with the angle.

TAKE ESSENTIALS

- 1 RIPPLED BOBBY PINS IN YOUR HAIR COLOUR Premium Pin Company 999 Bobby Pins 3” Bronze \$22.95
- 2 MINI HAIRSPRAY Batiste Hold Me Hairspray 75ml \$5.99
- 3 HEADBAND If you want to kick on, “keep a skinny, classic-coloured headband in your clutch, to up your look from day to night” Lady Jayne Bandeau Headband \$7.69

HAVE A RESCUE 'DO

When you’re amid a hair fail that’s threatening your look – a simple updo will save the day. “Simply scrape back all your hair into a low tight chignon right in the nape of the neck, then twist the tail and pin to secure.”
