MARY'S 10-SECOND HAIR TUTORIAL

To work a statement ponytail, blow-dry your hair smooth and run a shine serum through mid-lengths to the ends. Using a paddle brush, brush all hair back – if you have a fringe, let it be – gather at the crown of the head and secure with a hair elastic. Then, using small clear elastics, gather in 5cm sections down the ponytail. Finish by spritzing hair with spray gloss to keep any flyaways down.

Your HAIR KIT

- 1 PRIVÉ SHINE SERUM, \$39**, contains jojoba and safflower for moisture and lustrous locks.
- Don't be fooled by the size of the **PARLUX 3200 CERAMIC & IONIC DRYER, \$174.95**. It's super-powerful.
- 3 GHD PADDLE BRUSH, \$34**, has round-tipped bristles to tackle tangles without hair breakage.
- Add soft hold to your hairdo with **BUMBLE AND BUMBLE CLASSIC HAIRSPRAY, \$47**.

Attention GREENIES

LUSH LITTLE GREEN BAG, \$39.95, is a great gift idea for your vegan and environmentally conscious buddies. It contains the Lush products Jungle Conditioner, Squeaky Green Shampoo Bar, Sugar Scrub, Sea Vegetable Soap and Each Peach Massage Bar, all wrapped up in a stylish summer scarf. Get it from Lush stores nationwide or online at lush.com.au.

FRAGRANCE of the week

Treat yourself with this sexy, fresh scent. **NINA RICCI L'ELIXIR EDP, 80ml, \$150**, is a beautifully feminine blend of Calabrian lemon and caipirinha lime, perfectly teamed with warm notes of cedar wood, cotton musk and subtle hints of amber. Delightful!

Starry EYED

GIVE SOME RAZZLE-DAZZLE to smoky eyes. Beige, grey and black shadows have been reborn with highlights of shimmer. Start with a light wash of a biscuit shadow, contour your sockets with a slate hue and blend charcoal on the outer corners of the eyes. We're fans of **GUERLAIN ÉCRIN 4 COULEURS EYESHADOW** in smoky, \$95. Finish the look with a slick of black liner on the top lashline. **YVES SAINT LAURENT EYELINER EFFET FAUX CILS** in bronze black, \$52, is speckled with bronze for extra va-va-voom!
