Don't know what the heck to get your dad, boyfriend, husband or brother for Christmas? Well, if you're looking for a useful present that a guy won't get himself - grooming is where it's all at. We're talking about skin care kits to replace his hand soap (yep, it hurts to write this), new shavers to replace that dull one he's had for decades, and [fragrances that'll have him smelling irresistible](#). To help you out, we've brought together some grooming Christmas gift ideas for men that they'll seriously appreciate (even if it wasn't on their Christmas wish list).

BaBylissPRO GoldFX & RoseFX Lithium Clippers, \$395

Um, hello! We guarantee he'll feel fancy as heck using these GoldFX & RoseFX [Lithium Clippers from BaBylissPRO](#). Not only do these clippers look boujee, but the motor is designed and built by Ferrari engineers. Just watch him freak out.
