

DECEMBER 2019

ELLE

AUSTRALIA

Ashley

Hi, my name is

It's nice to meet you

THE
EVOLUTION
OF
HALSEY

DAZZLING JEWELS

Shine bright with a little help from Pandora's Celestial Stars Bracelet. Featuring asymmetrical stars linked together with delicate pavé bars, it's the perfect way to add a little bit of sparkle to your New Year (and beyond).

A ZIPPY CAR

Combining fun and function, the all-new Hyundai Veloster holds a hidden secret: a unique third door. The sneaky addition means the driver's side maintains the aesthetic of a sporty coupé with a single door, while two doors on the kerbside make it easier for passengers to get in and out (plus it looks pretty cool).

A CHIC SCARF

The Hermès Brides De Gala scarf – a design first created in 1957 – has been reinvented again. The latest incarnation glows with a luminous multicolour halo, bringing an intense pop of colour to any look.

AN END TO WRINKLES

Tempted by Botox but hate the idea of needles? Dr LeWinn's Line Smoothing Complex Hyaluronic Acid Boosting Essence offers a next-gen topical alternative. Utilising the transformative power of hyaluronic acid, the potent-yet-lightweight treatment will help reduce wrinkles while delivering a shot of hydration to your skin.

HEALTHY HAIR

You'll fall in love with the results created by 12Reasons haircare products – and here's 12 reasons why. The collection cleanses, detangles, moisturises, nourishes, smooths, protects colour, fights frizz, eliminates product build-up, adds shine, improves manageability, nurtures damaged hair and won't weigh your strands down.

A PERFECT SMILE

Wine and coffee are some of the best things in life, yet they can wreak havoc with our teeth. Luckily, Sparkling White Smile offers the incredibly effective Triple Treatment, which can whiten your teeth by five to seven shades.

A TIMELESS TIMEPIECE

Inspired by the beauty and ingenuity of equestrian equipment, the Galop d'Hermès watch is shaped like a stirrup, with aerodynamic curves and clean, futuristic lines. The way it plays with light, reflecting it off its edge-free case, means it will be a head-turner for years to come.
