TOOLS OF THE TRADE

Give yourself a helping
hand with these professional
additions to your beauty kit.

There's no doubt about it - it's a whole
lot easier to get the beauty look you
want when you use the best possible tools.
From quality brushes that give you the best
control and keep dirt and grease off your
skin, to a great hairbrush that can give you
a salon quality blowdry at home, these nifty
products should be in your arsenal.
