BALLERINA BUN

- 1 Dampen hair with water before combing through styling cream.
- 2 Pull hair back into a pony using a comb to smooth out any kinks.
- 3 Twist the ponytail so it coils around itself and secure with bobby pins.
- 4 Spray with a strong-hold hairspray.

**TIP**  
If you want a thicker bun but don't have enough hair, a hair donut will add extra oomph!

TWISTED 'DO

- 1 After washing and towel-drying hair, apply a golf-ball size of mousse and massage through.
- 2 Blow-dry hair until smooth and then part to your preferred side.
- 3 Take a small section of hair from the front and twist, picking up one new section at a time until you reach the nape of the neck.
- 4 Secure with a bobby pin and repeat on the other side. Comb remaining hair into a low bun.

# The CHANGE-UP

IMPERFECT PONY

- 1 After blow-drying hair, spritz scalp with a root-lifting spray.
- 2 Using your hands, pull hair into a pony, leaving a little slack at the crown.
- 3 Wrap a section of hair around the elastic and pin into place.
- 4 Loosen up the look by rubbing your scalp with the palm of your hand.
