LOCKING LIPS
 LipSense Liquid Lip Color is the premier product of SeneGence and offers an alternative to conventional lipsticks, stains and colours. When applied to clean, dry lips, it won't kiss, smear or rub-off. Individual shades can be created by combining shades that are rich and solid, sheer and shimmery, vibrant, shiny or frosty. It is recommended that the initial set of LipSense is purchased as a set with a LipSense lip colour of your choice along with a Shea Butter Moisturising Gloss and Ooops Colour Remover.

Waxing

THE WHITE STUFF

LYCON'S new Lycotec white hot and strip waxes will put your clients at ease. Containing titanium dioxide technology and new high-tech gentle white wax formulas, these flexible waxes - apply ultra thinly and remove very short hair. With a super-low working temperature, Lycotec hot wax is ideal for delicate areas and Brazilians, while Lycotec strip wax is the closest thing to a hot waxing standard of any strip waxing. Contact: Lycon (07) 3846 2722.

TO THE FUTURE

An Australian-owned company at the forefront of hair removal products, REVA recently introduced i-wax. Made using nano technology, i-wax is solid when cold and once heated its keratin molecules bond to hair instantly and its nano resin repels away from the skin's surface. This means less pain, less heat and less sticky residue. What's more, it won't stick to surfaces, fingers or utensils. Contact: Waxtec (03) 9460 7004.

WAX OFF

CONTROL THE HEAT

The SATIN SMOOTH double and single wax heaters bring premium Satin Smooth waxes to just the right temperature and consistency for any area of the body. The heaters will ensure thin, even spreading and an ultra-comfortable experience for clients. What's more, the in-built thermostat on the heaters ensures a controlled and stabilised heat so the temperature will not drop through-out the day. Contact: Dateline Imports (02) 9666 3611.

ORGANIC COCKTAIL

A simple solution for natural hair removal, SATIN SMOOTH Organic Soy Strip Wax is formulated with all-natural organic ingredients such as soybeans, honey, chamomile and rapeseed oil and enriched with vitamin E, titanium dioxide and other wholesome nutrients to protect skin. The antibacterial, low melting point formula spreads smoothly and evenly maximising results and minimising discomfort. Contact: Dateline Imports (02) 9666 3611.

STRIP OFF

Ideal for strip waxing, the LYCON Epilace range of non-woven waxing strips is available in a variety of products. The range includes a 100-metre roll, 50-metre roll, 500 strip box, 250 strip box, and a waxing kit, which includes 20 waxing strips, four large applicators, three small applicators, and three petite applicators.
