

beautyandlifestylehunter Now tell me, aren't these black and rose gold bottles by @12reasonshair just the prettiest haircare products you've seen for the longest time!? The products have 12 haircare benefits, including adding deep moisture and nurturishment and smoothing dry and damaged hair, fighting frizz and adding some serious shine. And its all thanks to the Marula oils and fruit and seed oils. And they seriously leave my long hair so easy to comb, silky soft and so healthy looking. Oh, and the products have the most divine fresh fruity scent. But read more #ontheblog , link in bio. - What's your current haircare faves? (PR Gifted)
