- 1 Spritz a heat protectant through damp strands before adding a volumising mousse to roots. Blowdry haphazardly.
- 2 Straighten out any kinks with a flat iron, focusing on the top of the hair. Massage in a little texturising paste for a grittier feel.
- 3 Collect hair into a ponytail using a wide-tooth comb, then twist clockwise, pressing against the head, into a bun.
- 4 Wrap an elastic around the bun to hold, adding a few pins to secure. Freshen up the look with a shine mist.
- 5 Steer the style away from looking too stiff by pulling out a few loose strands. Finish with a mist of hairspray, using your fingertips to smooth back any baby hairs.
