IT'S VERY SIMPLE....

2,250 Watts, 456 grams, 23 litres of air per second, 18,000 RPM AC motor, low, medium and high heat and airflow settings and curved ergonomic handle. A perfectly balanced dryer, used and admired by hair stylists worldwide. In addition to these important advantages you can also comfortably hold the dryer by its insulated barrel for easier, convenient styling ... Nothing more needs to be said!!

Available from Beautopia, Hair Health & Beauty, Hairhouse, Price Attack, adorebeauty.com.au, amr.com.au, myhaircare.com.au, ozhairandbeauty.com and i-glamour.com. For other stockists call Dateline Imports P/L on 1800 251 215 or visit parlux.com.au
