lovinggirlylife Perfect hair essentials ✨
Guys, I used to 'try' and give myself a blowout (no success lol) with my old hair dryer and no wonder it never worked and my hair was left feeling dry and damaged 😞

When I tried the @parluxhair Alyon my whole world changed! Not only does it blow about 10 times more air than my old dryer, but its professional technology ensures that your hair is left feeling smooth, healthy and shiny. ✨It's super easy to clean and it comes in sooo many pretty colours, like this stunning pink! ✨ I'm honestly never going back now, because the difference is massive and I'm in love, for real! 😊 #parluxaustralia #ad .
