# Reviews for you

Have a look at these fantastic products we know you'll love

## HAVE A QUICKIE

Some quickies are better than others. Design.Me Quickie.Me Dry Shampoo is the quickie cleanse, refresh and volumise. Its unique rice starch formula absorbs, lifts and styles hair without the need for water. Tailored formulations for dark and light hair. Visit [i-glamour.com](http://i-glamour.com)

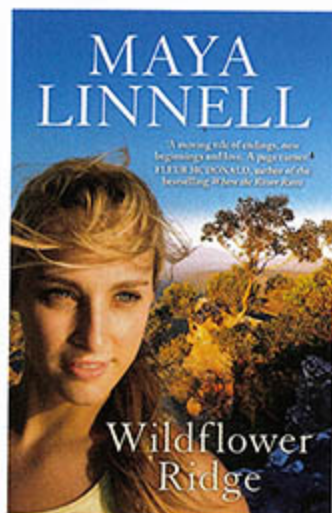

## SIMPLE GOODNESS WITH THE ESSENTIALS

S-26® ALULA® ORIGINAL TODDLER is a nutritious milk drink containing vitamins and minerals to help support toddlers' growth and development from 1 year of age or older when dietary intakes of energy and nutrients may be inadequate.

## MUST-READ FICTION FOR YOUR BOOK CLUB READING LIST

Penny reluctantly returns to her family's farm to recover from a mystery illness. While counting the days until she can return to the city, a terrible accident changes everything. There is more than one second chance within Penny's reach – what will she decide? *Wildflower Ridge* is rural fiction straight from the heart.

## ENERGISE YOUR SENSES

Experience Natio's new hair care range with energising native Australian aromas. The collection of shampoos and conditioners for gentle daily use will nourish and repair damage, and care for coloured hair. Complementing the range are two nourishing treatments, as well as a fragrance-free pet shampoo for your furry friend.
