## CHANGING THE WORLD, ONE HAIR ACCESSORY AT A TIME

It all started with the Tonytail wrap, a styling essential which creates the chic illusion of hair wrapped around a ponytail. Now Mia specialises in fun, unique hair accessories which achieve that Hollywood look without spending a whole lot of money.

# Pharmacy hair SECRETS

Hollywood hair care and style has never been easier, until now. With these great styling buys, you're sure to look a winner!

## BECOME YOUR OWN WAXING GURU

Save yourself a fortune with **BeautyPRO**. Microwaveable, easy-to-use, professional waxing kits designed to whisk away unwanted hair at home! Comes with everything you need to get started, including easy-to-follow instructions.

## STYLE STARTS HERE

Have fun and be creative with fashion-forward hairstyling products from **Not Your Mother's**. Visit your local pharmacy to embrace your personal-fabulousness in amazingly affordable style.
