LUSCIOUS lashes

The latest faux lash looks for all occasions

Sex siren

Find a set of glam falsies with long, thick lashes at the outer corner that get shorter as you get to the inner corner. Miaow!

MUST-DO: Create a movie star-like frame. Use taupe powder to fill gaps in brows.

Apply thick liquid eyeliner, winging it at the outer corners, then coat lashes with black mascara.

Naturally gorgeous

Medium-length individual lashes give a natural look. Place glue on the back of your hand, pick up lashes with tweezers, dip in glue and place on base of your own lashes.

MUST-DO: Get that nude eye look. Sweep lids with a warm, fleshy beige shadow and finish with a brown eyeliner close to the lashline. Smudge edges for a smoky effect. Hot!

1. Arbonne Eye Liner in Cocoa, \$32. **2.** M.A.C Eyeshadow in Shroom, \$32. **3.** Napoleon Perdis Lash Patrol Individual Lashes in Short Black, \$15. **4.** M.A.C Lashes in 20, \$20.

Almond eyes

For the ultimate eye shape, pick falsies with longer lashes at the outer corners, as they make your eyes appear more open.

MUST-DO: Contouring is the trick. Start with a base of beige shadow on lids, then outline eye with a kohl liner close to lashline. Try some colour and blend in a medium shade of lavender from the brow bone out to create almond shape.

1. L'Oréal Paris Contour Khôl Eyeliner in Carbon Black, \$14.95. **2.** Shu Uemura False Eyelashes in Radiant Blue, \$52. **3.** Eylure Naturalites Intense Lashes in 148, \$14.99. **4.** Artdeco Glam Stars Eyelights in Lilac, \$40.

Do the doe eye

Super-long lashes the same length are the way to get this 60s style. But as longer lashes may fall off easily, dip them in glue with tweezers and apply at bottom of natural lashes.

MUST-DO: The brighter your eye make-up, the more eyes will stand out. Layer pale shades of eyeshadow to create a block of colour.

1. Ultra3 Liquid Eyeliner in Blue Steel, \$6.95. **2.** Glam By Manicare Glameyes Kylie Lashes, \$11.95. **3.** Napoleon Perdis Lash Patrol Faux Lashes #747, \$15. **4.** Nars Single Eyeshadow in Goldfinger, \$48.

Bright 'n' bling

Make your lashes as outgoing as you are! Pink is best for green eyes, while blue is best for blue eyes. Silver cools down red-toned skin, and gold warms up cooler skin shades.

MUST-DO: Save this party look for the evening. Draw in a colourful eyeliner close to lashline, and smooth a bright shimmer over eyelid. It will make it a night to remember!

1. Bloom Glitter Liquid Eyeliner, \$14.95. **2.** Pop Beauty Lash Lounge in Wonderland, \$27.95. **3.** Love Those Lashes Strip Eyelashes in The Crawford, \$300. **4.** Shu Uemura Shine Mystique Eye Colour in Ivy Gold, \$42.
